3. #15-13 – BRCO CONSTRUCTORS OFFICE BUILDING - CONDITIONAL USE PERMIT MODIFICATION (CUP MOD) REQUEST 5900 KING ROAD APN: 044-072-036

Loomis Corp Offices, LLC (herein referred to as the Applicant/Owner) is requesting a Conditional Use Permit Modification (CUP MOD) to CUP #04-20 that was approved by the Town of Loomis Planning Commission in 2004. Approval of CUP #04-20 allowed for a 3,300 square foot office building addition to an existing 2,050 square foot office building for a single tenant occupancy. The proposed CUP MOD is being requested to allow for multitenant occupancy where BRCO Constructors Inc. will occupy the first floor of the building and multiple-tenants will occupy the second floor individual offices. These individual offices that will be available for lease would provide space for Office-Professional uses. The building is currently

occupied by seven full-time/part-time employees with BRCO Construction on the first floor. If the CUP MOD is approved the occupancy of the building (including BRO Construction employees on the first floor and Multitenant employees on the second floor) is anticipated to be 19 employees.

RECOMMENDATION: That the Planning Commission approve Resolution #15-13 for the Conditional Use Permit Modification with the findings in Exhibit A and the recommended conditions of approval in Exhibit B.
